

**Directions to National Research Coal & Energy Building
Evansdale Campus, West Virginia University
Morgantown, WV**

Coming From North & South of Morgantown, WV

- Take I-79 Exit 155 (West Virginia University exit)
- Proceed toward WVU/Morgantown and US 19 South
- Go straight through traffic light (University Town Center entrance on the right)
- Go straight through traffic light bearing right past Sheetz gas station onto US 19 South.
- Move into right lane and cross the Edith Barrill Bridge (also known as the Star City Bridge).
- Continue straight through traffic light (CVS Pharmacy, Golden Corral on the right)
- If you want to park at the Coliseum, turn right at light into Coliseum
- If you want to park in one of the paid parking lots, go straight through the next traffic light (the WVU Coliseum will be on your right).
- Move into the left lane, still following 19 South.
- Turn left at the next light (Arboretum on right) onto Evansdale Drive to enter the Evansdale Campus
- When you turn onto Evansdale Drive, you will see the Creative Arts Center on your left. Continue following Evansdale Drive as it twists and turns uphill for one-quarter mile and look for the NRCCE building on your left, the third of three buildings with dark glass and red architectural accents. (There is a blue sign by the entrance doors that reads "National Research Center for Coal & Energy.")
- Continue past the NRCCE building to the 4-way stop sign.
- Turn right at 4-way stop sign into short-term parking lot.

Coming From East of Morgantown, WV

- Exit 155 (West Virginia University exit)
- Proceed toward WVU/Morgantown and US 19 South
- Go straight through traffic light (University Town Center entrance on the right)
- Go straight through traffic light bearing right past Sheetz gas station onto US 19 South.
- Move into right lane and cross the Edith Barrill Bridge (also known as the Star City Bridge).
- Continue straight through traffic light (CVS Pharmacy, Golden Corral on the right)
- As you approach the top of the hill, If you want to park at the Coliseum, turn right at light into Coliseum
- If you want to park in one of the paid parking lots, go straight through the traffic light (the WVU Coliseum will be on your right).
- Move into the left lane, still following 19 South.
- Turn left at the next light (Arboretum on right) onto Evansdale Drive to enter the Evansdale Campus
- When you turn onto Evansdale Drive, you will see the Creative Arts Center on your left. Continue following Evansdale Drive as it twists and turns uphill for one-quarter mile and look for the NRCCE building on your left, the third of three buildings with dark glass and red architectural accents. (There is a blue sign by the entrance doors that reads "National Research Center for Coal & Energy.")
- Continue past the NRCCE building to the 4-way stop sign.
- Turn right at 4-way stop sign into short-term parking lot.

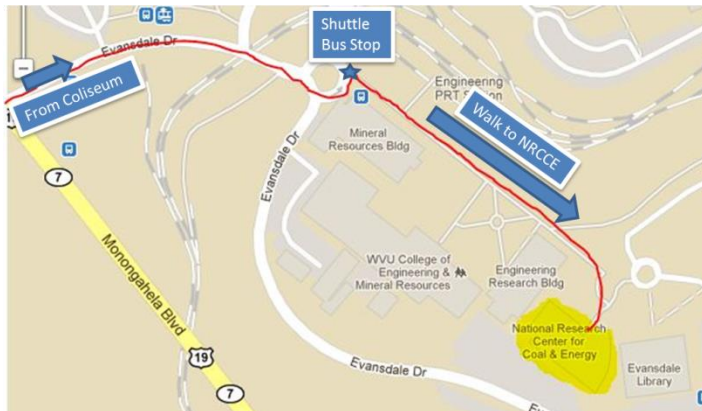

Parking Options

There are several parking options available for those going to the NRCCE Building at WVU:

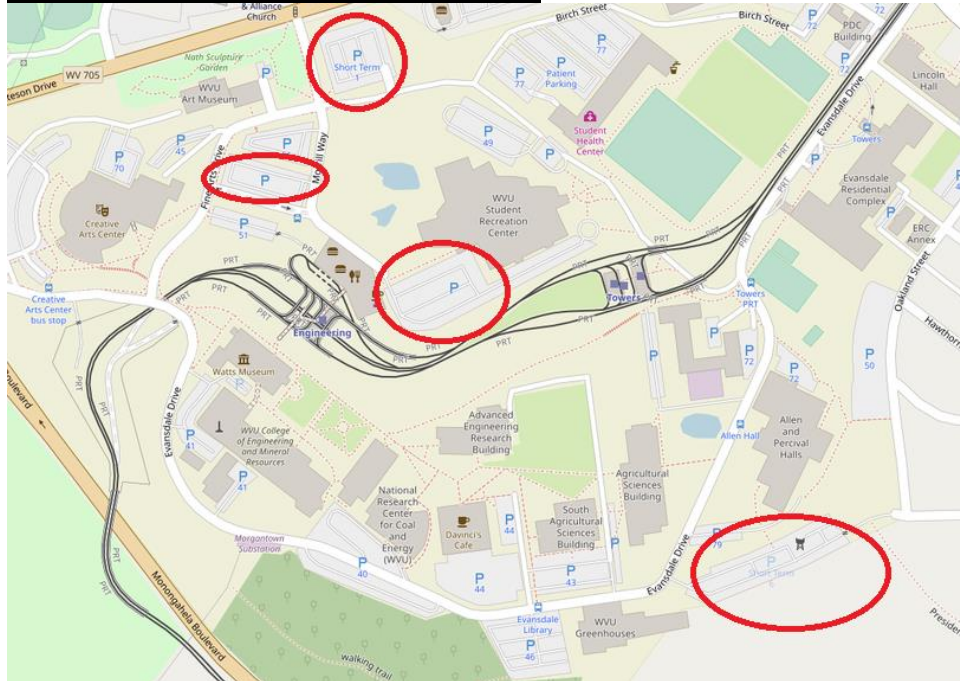

1.) FREE parking at the Coliseum

- The free lots are in front of the Coliseum (SEE MAP)
- Bus shuttles run every 15 minutes from the Coliseum to the Evansdale Campus and vice versa.
- Once you arrive at the Evansdale Campus (at the loop by the PRT station), you will have to walk a short distance to the NRCCE Building (SEE MAP)

2.) Paid Parking Near NRCCE Building

Short Term Parking Instructions

- There are several paid lots in close proximity to the NRCEE Building
- Pay machines are located at each paid parking lot. They are on the map above, circled in red.
- You can select length of time (suggest 4 hours) and a fee amount will appear on the machine display.
- Enter dollar bills or change for the amount displayed.
- A pay stub or parking “pass” will be issued from the pay machine.
- Place this pay stub in your car windshield.
- Cost to park: \$1.00 per hour.
- You may also pay via the Park Mobile app.
